

Dear Friends and Family,

I'm excited to be part of a bird watching team participating in a Birdathon fundraiser that raises funds for Atlanta Audubon Society's education programs. A Birdathon is like a Walkathon, except we count species observed rather than miles traveled. Our team will spend half a day to see how many species of birds we can record. With some luck, we hope to find ____ bird species!

Atlanta Audubon's education programs include Audubon Adventures, scholarship programs, Junior Birder Camp, *Learning About Birds*, support of Georgia's Youth Birding Competition, birding workshops, field trips, Speaker Series programs, *Birds in the Park* celebration, and so much more. They provide important educational programs that benefits local wildlife and people.

Please support Atlanta Audubon's education programs by making a donation to our Birdathon effort. If you donate over \$100, you can receive a free one-year individual membership, which includes a subscription to Atlanta Audubon's newsletter, *Wingbars*. I will greatly appreciate any amount, no matter how small. Your contribution can be a fixed amount or a per species pledge amount.

Thank you for sponsoring me with a 100% tax deductible contribution!

Sincerely,

Your Birdathon Team Member
